

# CONFERENCE CALLING MADE EASY

**15¢  
PER MINUTE**

**" FINALLY... SIMPLE  
CONFERENCE CALLING  
THAT REALLY WORKS."**

User Centric is ideal for your everyday phone conferencing needs.

- No reservation required (no setup or operator needed)
- Available 24 hours a day
- Works with your existing client codes
- Customized billing by Person, Client Code, Department or Cost Center
- Wallet card personalized with each user's name and conference codes
- Operators are always available to help you during the conference
- Use from any touch tone phone in the world
- No volume or term commitments

We provide the highest level of service. Whether it's a simple weekly partners' meeting or a complex international deal, we help you understand the flexibility that today's audio conference technology offers.

We also offer excellent rates on long distance!...

**At a price significantly less than the major carriers, but with the same  
high quality equipment, and with far better service!**
